wE-DESIGN ROOM QUESTIONNAIRE

1. How to Measure Your Space

Include:

- ✤ sketch of the space with corresponding dimensions. (do not worry about it being to scale)
    - ✤ height and width of windows & doors
    - ✤ placement of outlets & cable jacks
- ✤ location and dimensions of overhead and/or wall sconce fixtures
- ✤ ceiling height

2. Photos

Provide:

- ✤ photos of the room from multiple angles
- ✤ photos of any pieces that will be remaining in the space (rugs, art, furniture, etc)
- ✤ photo of the front of your home
- ✤ photos of other rooms in your house that you feel exemplify you/your style
- ✤ any photos you've taken or have pulled from magazines/found on Pinterest of spaces or specific pieces you love

3. Other Helpful Info to let us get a sense of you

Share:

- ✤ Colors and patterns you are drawn to
- ✤ Colors and patterns you don't like at all
- ✤ Any other details or samples you've held onto while awaiting the time to update your space

Include a sketch of your room above. *(Note: doesn't have to be to scale, but do include measurements for walls, windows, etc.—see instructions on previous page.)*
